When arraigned in court they waived a hearing.

Miss Van Liew committed her deed in a fit of jealousy. It was claimed that her victim and Mr. Van Liew were too intimate.

Y. M. C. A. HAPPENINGS

The members of the Leader's Club and the Y. M. C. A. membership committee met in the Association banquet rooms at 6:30 o'clock last evening for supper. Covers were laid for about twenty.

After the inner man had been satisfied a business session was conducted. The usual reports from the various committees were submitted, and a committee appointed to arrange for a social function for the younger boys of the association. Those named on the committee were John Clark, George Von Stein and M. A. Mickle. C. M. Douthitt presented the matter of the annual gym banquet to be held on Thursday evening, April 11, and the committee assured their support.

Harry Martin, who has for several years been employed at the Y. M. C. A. as bowling supervisor, has received a very deserving position. Yesterday he was named by Manager Whysall, of the C. D. & M. to succeed R. O. Hopkins who recently resigned his position in the local office, as assistant to the agent, to accept the agency at Delaware. Mr. Martin will assume his duties Monday.

Mr. Martin will be greatly missed both by Y. M. C. A. officers and members. He was a faithful, valuable man and has the best wishes of scores of friends in his new work.

COMPLAINTS HAVE BEEN REGISTERED

Sidewalks in Business Section Should be Repaired.

County and City Officials too Busy Paving and Repairing Pike to Make Repairs at Home

A great many complaints have been registered with city officials lately on account of the poor condition of the sidewalks and streets in the central part of the city, and the authorities believe that some action should be taken in the matter. Accounts of the meetings of the city council state that big improve-

ments are being made in the outlying districts, pikes are being paved and other work done, and yet in the business district there are many places where the sidewalks are in a very lamentable condition. The walks around the city building and around the court house are especially bad. The latter improvement falls upon the county commissioners who are too busy fixing pikes and doing other work in outlying districts to fix up the property in this city that demand repairs.

It is likely that influence will be brought to bear upon the council and commissioners to have the repairs looked after. In order that the sidewalks are not continually impassable during the rainy season.

Directory Notice

It is being stated by irresponsible parties that the Stark Directory Company, now holding contracts for the new city directory, will not issue their book. Such statements are unwarrantable and absolutely incorrect, as the Stark Directory Company will be here to secure data for their book directly after the spring moving season, beginning the work about May 1st.

GARFIELD PARK TO BE IMPROVED

Work will be Begun the First of Next Week.

The Local Amateur Baseball Teams will Convert the Park Into a Very Busy Place.

The first of next week, work will be commenced on the baseball grounds in Garfield park, and within a very short time, several leagues will be organized for the coming summer.

By order of the Board of Public Service, the grounds are to be put in first class condition, and kept up during the summer. The board at its next meeting will probably authorize the construction of a grand stand at the park and a dressing room for players.

The Y. M. C. A. management has been given the use of the grounds on Wednesday afternoon, and all day Saturday throughout the season. On Wednesday afternoon, teams in a league to be organized among the business men will play. On Saturday morning, a school league will have the grounds, and in the afternoon and on Saturdays a shopmen's league will be the attraction.

It is expected that the park will be used almost every day this summer.

Plays & Players

MARION FAMILY THEATER.

At the Marion Family Theater next week is billed one of the largest and best shows of the season, and lovers of good clean vaudeville should not miss the opportunity of seeing it.

The Fords, in one of the greatest iron and handcuff acts in the circuit will be the feature number. During their engagement at Portsmouth, Ohio, Dot Ford escaped iron and handcuff acts in the circus in nineteen minutes, during that time removing four pairs of handcuffs, a pair of leg irons and unlocking a heavy iron door. Fully five hundred people passed through the corridors and inspected the fastenings of the cell after she was locked therein and the act of escaping was considered little less than miraculous. The act will probably be repeated in this city.

Swain and Powers will appear in a comedy sketch, The Seymour sisters, noted singers and dancers, will undoubtedly please in their clever stunts.

The Marriott Twins, premier bicyclists, will perform some really

clever stunts on one and two wheels. The program will conclude with the usual moving pictures and the illustrated song.

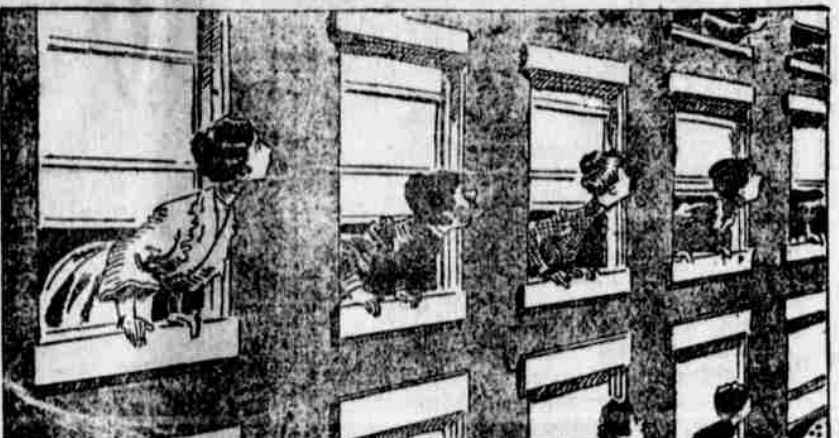

GRAND OPERA HOUSE.

Manager Perry of the Grand Opera House will offer an exceptionally strong vaudeville next week. Two shows will be given each evening at 7:30 and 9:15 o'clock and matinees on Wednesday and Saturday. The price is ten cents to all parts of the house with no extra charge for reserved seats.

The bill next week includes six big acts headed by Norman and Bryce, comedians. Then comes the Sheets Family band and the Strickland dog and monkey circus. On the street each day the 60 foot high dive dog exhibition will be a feature. Other high class acts to be offered are Eddie Martyn, the bounding wire artist; W. A. Howard, Irish comedian and "The Sheets" in a musical comedy act. Taken as a whole the bill is one that cannot fail to please the lovers of high class vaudeville.
